I just want to say that you can't just transfer the money without people getting angry.

For example if this bounty is tranfered to a MUI4 port, I don't really agree with that. On the other hand I don't mind it tranfered to OWB, but not NewSurf.

So Troels, I really think you should ask ALL the donaters what to do with THERE contribtion.

either that or return the money to the sender.
