@Hans

that's is good enough:) for me now, a new world have just been opened for me with warp3d, actually, i have never even seen warp3d in action

i should take the time and fix my amiga, but I'm leaving for work tomorrow, 4 weeks away from home. but i shall collect as much information as i can while away and do something about it when i come home again.

thank you for your hard work, this comes just in time:)
